What is PAMAMA?

Pamana is a 501(c)(3) non profit organization based in North Texas, established in 2007 by a small group of young professionals with a mission to give back to their roots.

- Through the years, we have worked with and have sponsored deserving college students from the following organizations:

2. Back to School

The project is to help the public schools and their students who rely mostly on government subsidies and sometimes the teachers' out of pocket contributions. In the past, PAMANA has provided school supplies, backpacks, uniforms, slippers, umbrella, raincoat and daily allowance. Other back to school projects also include feeding program, donation of electric fans, projectors and TV for the school and educational assistance for college students and board takers. PAMANA awards the donation to the beneficiaries and help in the distribution process.

3. Noche Buena

Noche Buena is a Christmas Eve tradition in the Philippines where families gather for dinner in anticipation of Christmas Day. We want the less fortunate communities, who cannot afford this traditional feast, experience celebrating a simple dinner by sharing to them some of our blessings. The gift giving event is made possible by a few of our PAMANA members, relatives and friends who volunteer to coordinate and distribute the goods.

How we raise funds?

1. *Pista sa Nayon*

A major event for the North Texas Filipino community is celebrated every June to honor the Philippine Independence Day. It is a Filipino Festival held at the Trader's Village in Grand Prairie which starts with a parade of banners followed by a program showcasing cultural presentations and talents among the community. PAMANA's participation in this affair is to be one of the food vendors where guests can taste the Filipino "lutong-bahay" and other special delicacies.

Part of the tradition is to also share the Christmas music and spirit to the Waterford Assisted Living facility in Plano as a gift to our dear elderlies. This activity can start as early as late November.
